# SILLY SENTENCES

SILLY SENTENCES is a fun way to review parts of speech at the beginning of a school year or to review what students have learned at the end of a school year.

Includes cards for all essential parts of speech plus blank cards to make your own. Print cards for each part of speech. You should have more cards than students in case a student wants to trade\*

Place cards in a bowl or basket. ONE bowl/basket for each part of speech. I invite kids to come up and take 1 card from each basket. They return to their seat and create their sentence on their desk.

\*I give students the chance to trade ONE of their cards.

If time, have the kids share their sentences out loud to the class or with a small group of classmates.

# SILLY SENTENCES

Students write their sentences, label the parts of speech, then draw an illustration.

\*Students can include speech bubbles.
