WOULD YOU RATHER... 

HAVE AN EASY, FUN TEACHER
BUT LEARN NOTHING?

HAVE A STRICT, MEAN
TEACHER BUT LEARN A LOT!

EXPLAIN YOUR THINKING

I would rather have an easy, fun teacher but learn nothing rather than have a strict, mean teacher but learn a lot. First, school should be fun so having a fun teacher would make me want to come to school everyday. Next, after having fun at school all day I could go home and learn things on my own. Finally, if I had a strict, mean teacher it would be very hard for me to focus and maybe I would learn a lot. I would rather learn nothing at school, but have a fun and easy teacher.

Writing should include...
Opinion statement
3 reasons with transitions
Restate opinion
(5 sentence paragraph)

EXPLAIN YOUR THINKING

I would rather have an easy, fun teacher but learn nothing rather than have a strict, mean teacher and learn a lot. I strongly believe that school should be fun. Having an easy, fun teacher would make me want to come to school everyday. It would not bother me that I am not learning anything from my teacher. After having fun at school all day I could go home and learn things on my own. There are lots of programs on the internet that can teach me the skills I need. Finally, I've had strict, mean teachers in the past and it was very difficult for me to focus. If the teacher is great at teaching, I may not learn because of the fact that I cannot focus. I would rather learn nothing at school, but have a fun and easy teacher.

Writing should include...
Opinion statement
3 reasons with transitions
Each reason has explanation or commentary
Restate opinion
